Stony Point Police Athletic League *Bike Safety* & **Touch -A- Truck** www.stonypointpal.org

Dear Friends and Neighbors,

The Stony Point Police Athletic League, Inc, (SPPAL) is a 501(c) (3) not-for-profit organization operating in the Town of Stony Point. Its mission includes providing safe and healthy recreation and activities for the youth of all ages in our community. Many of you have attended the numerous activities provided by the SPPAL such as Family Fun Day and Fall Festival. The success and popularity of all the SPPAL events are the direct result of the devotion of numerous volunteers together with generous donations from within the community.

We invite you to participate in our annual *Touch-A-Truck / Bike Safety Event*, by displaying a vehicle, truck or anything on wheels. Touch-A-Truck is a family event where adults and kids of all ages have the opportunity to see, touch, interact and learn about dozens of cool & unique vehicles. They can discover and explore their favorite things on wheels. There will be vehicles representing community emergency services, businesses, construction, tractor/farm vehicles and cars just to name a few. Along with the vehicles there will be a Bicycle Safety course, food, and music. This is a great opportunity to advertise your business and allow the community to see and learn about how you serve Stony Point and beyond. This event is free to the community. All current social distancing/COVID19 precautions in effect on the date of event will be followed.
